The Inter-Fraternity Council consists of representatives from all social fraternities at East Carolina College. Membership is open to any social fraternity recognized by the college administration, Student Government Association, and which meets the requirements of the Inter-Fraternity Council as set forth in the bylaws of its constitution.

The purpose of this council shall be to advance the interests of East Carolina College, to promote the general interests and welfare of the associated fraternities as a body, and to insure cooperation between them in their relations with the faculty, student body, and public in general.

The Council supervises a formal Rush Week for freshmen during the winter quarter and sponsors an organized Greek Week during the initiatory period.
